FAU Pine Jog Facility Use Guidelines

- Reservation Set Up:** Each user group is responsible for set up and clean up during the allotted time. All tables and chairs need to be carried, not dragged across the floor.
- Reservation Clean Up:** Tables and chairs should be returned to their original locations. All doors and windows should be closed. All lights should be turned off. Doors should be locked. Room key must be returned to the security lock box.
- Access to AV Equipment:** The classroom and gallery come equipped with a projector and screen, along with a VGA computer connection cable. *No computer is provided, please bring your own.* In case of any AV issues, the supply of back up AV equipment is the responsibility of the user group. *No IT support is provided by FAU Pine Jog.*
- Wi-Fi & Cell Phone Service:** Wi-Fi log-in instructions will be provided during the site orientation, and are also posted in each rental space. Cell phone service in each building is extremely poor. Calls should be made outside of the FAU buildings where service is stronger.
- Smoking/Alcohol:** FAU Pine Jog Environmental Education Center is a smoke free facility. Alcohol use is prohibited.
- Garbage & Recycling:** Each group should use the correct bins for paper, plastic, and non-recyclable trash. Paper bins are for regular paper and corrugated cardboard (not napkins or paper towels). Plastic, glass and aluminum go together in designated bins. All other non-recyclable trash goes in trash bins. Larger recycling and trash bins are located immediately outside of the classroom.
- Picnic Tables:** Outdoor picnic tables may be used for small group discussions or lunch, if scheduled in advance. All trash and recyclables must be brought inside and disposed of in the correct bins after use.
- Trails:** Please inquire at the front desk for information on our extensive trail system that is open to the general public during business hours.

Facility Reservation Requirements
