Absences/ Tardiness

If your child(ren) will be absent or late to the program, please contact the summer camp office at **561-656-5430**. Due to the comprehensive nature of the program schedule, your child(ren) will be immersed in an array of activities and we encourage your child(ren) to participate fully.

Abandoned Children Policy

The FAU/Pine Jog Summer Day Camp Program closes at 5:30 p.m. Any parent/guardian running late must notify the program before 5:30 p.m. After 5:30 p.m. if a child(ren) has not been picked-up, emergency contacts provided will be contacted. After 6:00 p.m. the program will notify the Department of Children and Families and the Palm Beach County Sherriff’s Department. The child(ren) will also be removed from the Summer Day Camp Program.

On field trip days please refer to field trip reminders for Daily Camper Supplies.

Each day, the camper should bring the following items to camp (please label all items sent to camp with your child's name):

Backpack

Bug Spray

Sneakers

Reusable Water Bottle

Cap/Hat

Sun Screen

The camp staff requests that you do not send any toys, (i.e. Gameboys, etc.) **unless approved by Director** or additional money with your child(ren) when they come to camp. Toys from home tend to provide an unnecessary distraction for the other campers when the staff is trying to implement a game or activity. In addition, we do not want a camper to misplace or lose their toys. The camp will not be held responsible for lost or stolen items. The camp will provide breakfast, lunch and snack daily; which should alleviate the need for a child to bring money to camp. Parents and/or guardians will be notified should the camper need to bring other items to camp.

Parents are strongly encouraged to help the camper pack for camp daily to ensure that inappropriate items are not brought to camp. All items should be clearly labeled with full first and last name.

*****Staff will not be responsible for lost or stolen items*****

Camper Illness/Accidents

In the event that a camper becomes ill or has an accident, the **Assistant Camp Director and/or Camp Director** will notify the parent or guardian. Due to the large concentration of children, there are circumstances when the Assistant Camp Director and Camp Director will ask that children do not attend or must be picked up early from camp. These instances will include; a camper who has two or more episodes of diarrhea, a camper who is running a fever of 100 degrees or more, a camper who

has thrown up more than once or the combination of any of the above symptoms. If your child(ren) is suffering from any of these or other symptoms (such as pink eye or other contagious illnesses), please call camp to alert the staff. For minor accidents/illness, the camp staff will provide appropriate first aid and provide the parent/guardian a copy of the accident/injury report form. **It is imperative that you keep all emergency phone numbers and addresses up-to-date with the program.**

Camper Emergencies

For camper emergencies, the Camp Director or Assistant Camp Director (in the absence of the Camp Director) will notify the parent or guardian of the situation. If the parent/guardian is unavailable or cannot be reached the camp staff will seek emergency medical treatment from qualified medical professionals. In the event emergency medical treatment is necessary, the physician is authorized to provide necessary medical care as needed unless otherwise indicated on the child's Health History Form. If the parent or guardian is still unable to be reached, the camp staff will notify the authorized emergency contact.

If the parent or guardian has an emergency and needs to contact their child(ren) or camp staff members, the parent/guardian should call the Camp Office at **561-656-5430**.

Insurance

We recommend that each camper have insurance coverage. Please indicate that information on the summer camp registration form and/or provide a copy of the insurance card to the summer camp for record.

Medications

Under Florida law, schools/summer camps may only give medication that is prescribed by a physician with an authorized form signed by the physician and the parent. Medications must be in its original container with the pharmacy label and the student's name, medication name, current dose and frequency. Please note that children are not allowed to carry medication or administer their own medication.

Self – Help Skills.

Children who are enrolled in our summer camp program must be able to do the following on their own: wipe their noses, use toilet independently (pull-ups are not allowed), wash their hands, be able to take off and put on their own shoes unassisted and clean up after themselves.

Camper Code of Conduct

In order to provide a fun-learning environment for each camper in the FAU/Pine Jog Summer Day Camp Program, a code of conduct has been implemented. Please make sure that you take a few minutes to go over this code of conduct with your child(ren).

Consequences for misbehavior or failure to adhere to FAU/Pine Jog Summer Day Camp Code of Conduct will be as follows:

If your child is having continuous behavior problems, expect a call.

We have a three strikes policy.

First Strike: If a camper is brought to the Camp Director's office due to failure to respond to instructional staff or group leaders, the camper will first discuss any problems and appropriate solutions with the Camp Director.

Second Strike: On the second visit to the Camp Office, the parent will be called to discuss the problem and possible solutions.

Third and last Strike: If the camper continues to have problems, the parent will be called to pick up the camper. If you are called to pick up your child for disciplinary reasons, you will not be eligible for a refund.

Please note: Some offenses do not require three strikes.

Example: your child injures others, steals or attempts to run away from the camp or field trip, there will be an immediate dismissal from the camp.

Please read over the Code of Conduct Form with your child, sign and return along with the Registration Form.

Camp Activities

In the FAU/Pine Jog Summer Camp Program your child(ren) will be immersed in a variety of enrichment activities on a daily basis. The activities will include both inside, outside and field trip activities and will vary on a daily basis.
